

1-866-SPEAK-UP

Anonymous Hotline

How does the hotline work?

1 The SPEAK UP counselor asks a series of questions about the threat, collecting relevant information.

2 The counselor records information and creates a written threat report.

3 The counselor uses a database to identify relevant contacts (school administrators and/or law enforcement).

4 The counselor immediately relays threat information to contacts via phone and faxes a written report.

About the Response Center

The SPEAK UP crisis counselors answer phone calls from around the country 24 hours a day, 365 days a year.

- All counselors are professionally trained and the majority are Masters-level licensed counselors or social workers
- Counselors service callers in over 140 languages
- In the event that a call is concerning something other than a potential criminal act, counselors refer the caller to local and national resources that can help.

TEXT MESSAGING IS ALSO AVAILABLE.
